WE'RE PG&F

PG&F, TM are export partnership in Ukrainian Optical Glass Factory. The activity is in export position. Our products are known very well: GOST's glass, as well as, UKR-CIS's glass, that same things. The optical glasswork was born in Ukrainian Optical Glass Factory, thanks to strong traditions of known crown and flint, since 1923. Next, Ukrainian chemists have mastered 110 types of glass on 1940. Now, PG&F represent by more optical materials and optical products from Ukraine. Our main position is in glass good goods.

SPECIFICATION

Our work is standard and firstclass products line and service. All paperwork, e.g. data sheet, test report, standard terms, etc, attach to each delivery. The test certificate is made in Ukraine. There is test lab in the factory. Also any special tests can be ordered in the firstclass test-company SGS Ukraine.

FREIGHT

Always, we proffer deliveries via 'EMS', or if you want to nominate other delivery service, e.g.: 'TNT', 'DHL', 'PANALPINA', etc, only thanks to your accounts in these delivery services. All packs prep. firstclass. We use special freight packs two-in-one when extra stacking strength is needed, the double walls corrugated box was been taken therefor; to inside all walls are to be padded by foam-plastic abt 20 in mm. There is internal extra box; to it around fill polystyrene bead-or-loose. Other conditions are strong box-corners, standard cover, tapes, labels, markers.

STANDARD TERMS

The standard terms and conditions, you pay 100% CBD in advance. The delivery is nett 45 B'days ex works to a freighter. PG&F standard terms and conditions is on back-page of an invoice. A special terms, if any insurance are to be organised, thanks to you, maybe, in your partnership with Allinz insurance group or other insurance group. Also, any special tests can be ordered in the firstclass test-company SGS Ukraine.
